

ASUS Eee Pc Product List

September 2011

Data Sheet - *Eee PC*™ 1001PXD

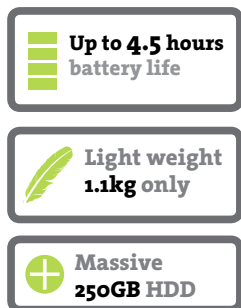

Go Anywhere In Style With The Eee PC™ Seashell 1001PXD

Elegant Seashell Inspired Design

Seemingly crafted by nature itself, the Eee PC™ Seashell draws its inspiration from seashells. It's so light and compact, you can take it anywhere with you! And with sleek curves and smooth lines hugging its lustrous shell, the Eee PC™ Seashell will easily charm passers-by wherever it goes.

Saves Power and the Planet

The Eee PC™ 1001PXD is not only beauty outside with elegant seashell design, but also matches with its power inside as energy efficiency. The Eee PC™ 1001PXD's is truly the product of ASUS' love for the Earth and perfect masterpiece to eliminate worries about power while on-the-go for full day, unplugged computing.

Multi-touch pad of easily zoom in/out

With the Multi-Touch gesture input feature, you can easily zoom in and out to view photos or read documents by just moving two fingertips apart or together on the touchpad. You can also simultaneously slide two fingertips up or down the touchpad—making scrolling in a window easy without the use of a mouse.

Slim & Lightweight

The Eee PC™ Seashell is a highly portable companion that users can carry about. Boasting a profile measuring just 1-inch in depth and weighing at 1.1kg, the svelte and lightweight Eee PC™ Seashell is a joy to behold and its compact dimensions make it the perfect runabout internet device anywhere. The Eee PC™ Seashell is built to be your perfect travel companion.

No Deficiency in Efficiency

The Eee PC™ Seashell 1001PXD features a breathtaking design that includes a 10.1" LED-backlit display and an ergonomic keyboard for prolonged usage.

Data Sheet - *Eee PC*™ 1008P

Making Waves with ASUS Eee PC Seashell 1008P Karim Rashid Edition

1008P-BRN137S

Processor	Intel® Atom™ N550 1.66GHz
OS	Geniune Windows® 7 Starter
Display	Glare 10.1" WSVGA(1024x600)
Memory	1G DDR2
Storage	250GB HDD
Online Storage	500GB OnlineStorage*
Connection	WiFi 802.11 N Bluetooth 2.1+EDR
LAN	10/100 Ethernet
Expansion	2x USB 2.0 1 Mini Display Port 1x SD/MMC card reader(SDHC) 1x Audio in 1x Audio out
Audio	Hi-Definition audio CODEC, Built-in stereo speaker, Built-in microphone
Camera	1.3M Pixel Webcam Built-in
Battery Life	Up to 6hrs*
Weight	1.1kg (with polymer battery, 2900mAh)
Available Colours	Coffee Brown
Warranty	1 Year Global Warranty EU Collect & Return

Cutting-Edge Spec

The latest Intel® Atom™ N550 processor is paired with 1GB of DDR2 RAM and a 250GB hard disk for excellent power-efficient performance.

Work Smarter

Windows® 7 Starter simplifies your everyday mobile tasks, works the way you want and makes new things possible. It's installed as standard on the Eee PC 1008P.

A Touch of Class

The low-profile keyboard makes for comfortable typing and the large multi-touch trackpad sits on a soft-touch surface that's easy on the wrists.

High-Fashion Finish

The striking, high-gloss case is soft to the touch and available in two ultra- trendy colours — hot pink and coffee brown.

Ultraportable

Just 1" thick and weighing a mere 2.42lbs (1.12kg), the Eee PC™ 1008P is as portable as they come, but still packs plenty of performance.

Sheer Brilliance

The bright 10.1" LED- backlit display has sleek, frameless design for an uninterrupted view on the crisp 1024 x 600 resolution.

Longer Lasting

Get up to 6 hours' battery life with help from ASUS Super Hybrid Engine technology and pack a spare battery for those marathon mains- free sessions.

Data Sheet - *Eee PC*™ 1011PX

Go Anywhere In Style With The Eee PC™ Seashell 1011PX

Notebook performance, netbook size

With the most powerful Intel® Atom™ dual-core ever*, the N455 provides the perfect combination of multi-tasking productivity, with a richer multimedia and Internet experience. Add in a battery that lasts all day, and you have the updated Eee PC 1011PX netbook, the perfect travel companion.

Stay connected, longer

The Eee PC 1011PX gets the job done, all day long with ASUS-exclusive Super Hybrid Engine (SHE) technology. SHE intelligently helps optimise the system, to give you max power when you need it, and max battery when you don't. Use the Eee PC 1011PX for up to 8 hours* between recharges to remain productive on the go.

Slim and stylish

With a 10.1" LED backlit screen (1024x600), the Eee PC 1011PX displays crisp and vivid graphics in a portable form factor. Coming in a stylish seashell design that's easily distinguishable with its unique wave pattern texture, stand out in the crowd and make waves.

Data Sheet - *Eee PC*™ 1015P

Go Anywhere In Style With The Eee PC™ Seashell 1015P

Elegant Seashell Inspired Design

Seemingly crafted by nature itself, the Eee PC™ Seashell draws its inspiration from seashells and its opalescent and glossy exterior is crafted by the innovative In-Mold Roller technology. It's so light and compact, you can take it anywhere with you! And with sleek curves and smooth lines hugging its lustrous shell, the Eee PC™ Seashell will easily charm passers-by wherever it goes.

11 hours* battery life with Super Hybrid Engine

With the exclusive ASUS Super Hybrid Engine's increased power efficiency, the Eee PC™ can deliver an impressively long battery lifespan—eliminating worries about power while on-the-go and easily keeps users connected for full day, unplugged computing.

Massive Storage space as 250GB HDD

The hard drive contains a massive 250GB of built-in storage – providing instant access to your favourite files and allowing you to store up to 46,000 MP3 songs for maximum enjoyment on-the-go.

10" LED-backlit screen

The Eee PC™ 1015P's LED-backlit screen is ultra-thin and ultra-bright, but still energy efficient. The 10" display makes working with documents and watching videos a pleasurable experience, and its 1024 x 600 resolution means that you can view most web pages without having to scroll from left to right.

Ergonomic keyboard for unsurpassed comfort

The Eee PC™ Seashell 1015P's keyboard is more comfortable and less fatiguing to type on for prolonged periods.

Multi-touch pad of easily zoom in/out

With the Multi-Touch gesture input feature, you can easily zoom in and out to view photos or read documents by just moving two fingertips apart or together on the touchpad. You can also simultaneously slide two fingertips up or down the touchpad—making scrolling in a window easy without the use of a mouse.

Go Anywhere In Style With The Eee PC™ Seashell 1015PE

Elegant Seashell Inspired Design

Seemingly crafted by nature itself, the Eee PC™ Seashell draws its inspiration from seashells and its opalescent and glossy exterior is crafted by the innovative In-Mold Roller technology. It's so light and compact, you can take it anywhere with you! And with sleek curves and smooth lines hugging its lustrous shell, the Eee PC™ Seashell will easily charm passers-by wherever it goes.

11 hours* battery life with Super Hybrid Engine

With the exclusive ASUS Super Hybrid Engine's increased power efficiency, the Eee PC™ can deliver an impressively long battery lifespan—eliminating worries about power while on-the-go and easily keeps users connected for full day, unplugged computing.

Massive Storage space as 250GB HDD

The hard drive contains a massive 250GB of built-in storage – providing instant access to your favourite files and allowing you to store up to 46,000 MP3 songs for maximum enjoyment on-the-go.

ASUS EeePC 1015PE-BLK052S

Processor	Intel® Atom™ N450 1.66GHz
OS	Geniune Windows® 7 Starter
Display	Anti-glare 10.1" WSVGA(1024x600)
Memory	1G DDR2
Storage	250GB HDD
Online Storage	500GB HDD
Connection	WiFi 802.11 B/G/N Bluetooth2.1 + EDR
LAN	10/100 Ethernet
Expansion	3x USB 2.0 1x VGA 1x SD/MMC card reader(SDHC) 1x Audio in 1x Audio out
Audio	Hi-Definition audio CODEC, Built-in stereo speaker, Built-in microphone
Camera	0.3M Pixel Webcam Built-in
Battery Life	up to 11 hrs (6 cells 5200mAh 48/h)
Weight	TBD
Colour	Black
Warranty	1 year Global and EU C&R

10" LED-backlit screen

The Eee PC™ 1015PE's LED-backlit screen is ultra-thin and ultra-bright, but still energy efficient. The 10" display makes working with documents and watching videos a pleasurable experience, and its 1024 x 600 resolution means that you can view most web pages without having to scroll from left to right.

Ergonomic keyboard for unsurpassed comfort

The Eee PC™ Seashell 1015PE's keyboard is more comfortable and less fatiguing to type on for prolonged periods.

Multi-touch pad of easily zoom in/out

With the Multi-Touch gesture input feature, you can easily zoom in and out to view photos or read documents by just moving two fingertips apart or together on the touchpad. You can also simultaneously slide two fingertips up or down the touchpad—making scrolling in a window easy without the use of a mouse.

*Operation lifetime subject to product model, normal usage conditions and configurations.

Data Sheet - *Eee PC*™ 1015PEM

Go Anywhere In Style With The Eee PC™ Seashell 1015PEM

Designed to Keep You on the Move

With a design ethos that stems from the thin and light Eee PC™ tradition, the Eee PC™ Seashell 1015PEM has taken it a step further, featuring more rounded curves to give it a more streamlined shape. Add to that a contrasting play on light and shadows, and a variety of colors; the 1015PEM has come into its own indeed.

Ideal for the traveler, the Eee PC™ Seashell 1015PEM's light and compact weight means that it will easily fit into your hand luggage. The 1015PEM is the backpacker's companion, accompanying you to adventures in foreign lands. And with cloud computing access, you'll be able to access your movie or music files online, or surf the net to update your blog to tell the world of your travels. The 1015PEM ensures you won't be bored while on transit at the airport.

Faster than Ever Before – Atom N550 Dual Core Processor

The Eee PC™ 1015PEM marks a radical departure from other netbooks that usually feature single core Atom™ processors. With its Intel® Atom™ N550 dual core processor, the Eee PC™ 1015PEM will set new netbook performance benchmarks. More importantly, this Dual Core Processor shatters today's netbook conventions by delivering a rich performance experience. In terms of performance, the 1015PEM has clocked at speeds at least 23 percent faster than single core processor netbooks.

Ergonomically Designed for You

The Eee PC™ Seashell 1015PEM boasts a streamlined and aerodynamic design with strongly defined contours. ASUS' approach to material innovation means that your 1015PEM will be available with a smooth matte or high gloss coating. It features an ergonomically designed chiclet keyboard and a 10.1" LED backlit WSVGA screen (1024x600) to ensure user comfort even after prolonged use

*Operation lifetime subject to product model, normal usage conditions and configurations.

10" LED-backlit screen

The Eee PC™ 1015PX's LED-backlit screen is ultra-thin and ultra-bright, but still energy efficient. The 10" display makes working with documents and watching videos a pleasurable experience, and its 1024 x 600 resolution means that you can view most web pages without having to scroll from left to right.

Take comfort

A comfortable typing experience is at your fingertips with an ergonomic chiclet keyboard and a large touchpad with palm rejection technology. Stay comfortable even after extended usage with the Eee PC 1015PX.

Get online in an instant

The Eee PC 1015PX comes with Windows® 7 and Express Gate Cloud, which allows users to get online in an instant without the need to boot in to Windows. Have fun and surf, chat or play games with a user friendly interface.

The hard drive contains a massive 250GB of built-in storage – providing instant access to your favourite files and allowing you to store up to 46,000 MP3 songs for maximum enjoyment on-the-go.

Ergonomic keyboard for unsurpassed comfort

The Eee PC™ Seashell 1215N's keyboard is more comfortable and less fatiguing to type on for prolonged periods.

Multi-touch pad of easily zoom in/out

With the Multi-Touch gesture input feature, you can easily zoom in and out to view photos or read documents by just moving two fingertips apart or together on the touchpad. You can also simultaneously slide two fingertips up or down the touchpad—making scrolling in a window easy without the use of a mouse.

Data Sheet - *Eee PC*™ 1215N

Go Anywhere In Style With The Eee PC™ Seashell 1215N

Elegant Seashell Inspired Design

Seemingly crafted by nature itself, the Eee PC™ Seashell draws its inspiration from seashells and its opalescent and glossy exterior is crafted by the innovative In-Mold Roller technology. It's so light and compact, you can take it anywhere with you! And with sleek curves and smooth lines hugging its lustrous shell, the Eee PC™ Seashell will easily charm passers-by wherever it goes.

7 hours* battery life with Super Hybrid Engine

With the exclusive ASUS Super Hybrid Engine's increased power efficiency, the Eee PC™ can deliver an impressively long battery lifespan—eliminating worries about power while on-the-go and easily keeps users connected for full day, unplugged computing.

Massive Storage space as 250GB HDD

The hard drive contains a massive 250GB of built-in storage – providing instant access to your favourite files and allowing you to store up to 46,000 MP3 songs for maximum enjoyment on-the-go.

Data Sheet - *Eee PC*™ T101MT

Eee PC™ Touch Series go Multi-touch!

Fun at Your Fingertips

The Eee PC™ T101MT's multi-touch functionality makes interacting with the computer so intuitive and effortless, it encourages users to get creative. With its support for Windows 7 Multi-Touch gestures, virtually every task can be performed with a tap, drag, pinch or flick. Photos can be zoomed into, rotated and repositioned with the greatest of ease. Games can be controlled in a much more interactive way, and pages of documents can be flipped with fingers—just as they would be with a real book.

Intuitive touch software

The Eee PC™ T101MT's unique software applications, allow users to perform a myriad of fun tasks with their fingertips, such as touching up photos, creating photo albums, leaving handwritten desktop memos for loved ones, and sketching cartoons or custom emoticons.

A Smooth Writing Experience

Equipped with a 256-level pressure sensor, the Eee PC™ T101MT's crisp and responsive 10.1" multi-touch screen reproduces handwriting beautifully and accurately, regardless of whether a finger or the bundled ergonomically-designed stylus is used. Handwriting on a computer has never felt more natural.

Massive Storage for Massive Multimedia Collections

The Eee PC™ T101MT is fully equipped to handle the large amounts of memory that digital media consumes. Boasting a 320GB HDD and 500GB* of online ASUS WebStorage—a total of 820GB—the Eee PC™ T101MT provides ample storage for users' movies, music and photos.

 Windows 7

Data Sheet - *Eee PC* **ASUS-LAMBORGHINI VX6**

The sleek ASUS-Lamborghini Eee PC VX6 ultraportable has a dual-core Intel® Atom™ processor and NVIDIA® ION™ 2 graphics.

Intel® Dual-Core processing power

The Intel® Atom™ D525 processor has two 1.8GHz cores, each with Hyper-Threading Technology. Its four parallel processing threads provide improved performance with multi-threaded software and faster response times for more demanding applications.

60% faster graphics engine

NVIDIA® ION™ 2 graphics provide incredible graphics performance that's up to 60% faster than that of previous-generation NVIDIA® ION™ graphics, for even smoother gaming. NVIDIA® Optimus technology automatically optimises graphics performance to maximise battery life, while onboard hardware decoding ensures silky smooth 1080p HD video playback.

Audio designed by Bang & Olufsen ICEpower®

High-quality Bang & Olufsen ICEpower stereo speakers and SRS Premium Sound deliver superlative sound quality for movies, music and gaming.

USB 3.0 comes as standard

USB 3.0 can transfer data from compatible devices up to 10 times faster than USB 2.0 and recharge mobile devices in record time, even when the Eee PC VX6 is switched off.

The latest Bluetooth 3.0 support

Full Bluetooth 3.0 support allows low power wireless data transfers from compatible devices at speeds up to 24Mbit/s — perfect for speedy music, video and photo synchronisation with mobile devices.
